Does your company need a flu shot clinic this fall?

VaxPro is a Wisconsin-based wellness company headquartered near Milwaukee that specializes in annual influenza (flu) shot clinics for businesses, health fairs, schools and senior group homes. We offer a customized on-site vaccination service that is cost effective with a staff of professional health care providers such as registered nurses and licensed pharmacists. We also provide Biometric Screening services like lipid testing, blood pressure testing, and glucose testing.

This past November-February has been considered one of the worst in U.S. history when it comes to the flu. It is VaxPro's mission to not only vaccinate, but to educate our community on the importance of getting a flu shot and how it can prevent serious illness and possibly death. Please call 262-241-4522 or email jay@vaxpro.com to discuss a flu clinic!

Take aspirin, acetaminophen, or ibuprofen to relieve pain, headache, and fever. Drink plenty of water, and soothe burns with cool baths or by gently applying cool, wet cloths. Use a topical moisturizing cream or aloe to provide additional relief. Don't go back into the sun until the burn has healed. Want to learn more? Click the link below!
