

## Your January Newsletter

### We're Celebrating!

It's our 15th season this year! Thank you to all our our customers and hard working team at VaxPro to make this happen. We will continue to make our community healthy!

### Health Threats in 2019

Watch the video below to see the nine health threats that the CDC kept us informed with or investigated in 2019. Anything missing from this list?

### Tobacco Use

The number of males using tobacco globally is on the decline and show that government-led controlled efforts work to save lives, protect health, and beat tobacco. Click the link below to see more updates on tobacco use.

## Wisconsin And The Flu

Wisconsin flu cases are up from a year ago. 459 hospitalizations and 11 deaths have us wondering why our community still refuses to get vaccinated. Click the link below to see how this flu season compares to last years.

## Call Us Today!

If you haven't already, schedule your flu shot clinic with us today! VaxPro's mission is to both vaccinate and educate our community about the importance of getting an annual flu shot and how it can prevent serious illness and possibly death.

Call 262-241-4522 or email [jay@vaxpro.com](mailto:jay@vaxpro.com) to discuss an onsite flu shot clinic for your employees!

## Our Mission

VaxPro is a wellness company that specializes in annual influenza (flu) shot clinics for businesses, health fairs, school districts and senior group homes. We provide customized, onsite clinics that are staffed by licensed healthcare professionals. Besides flu shots, VaxPro offers TB testing and a Biometric Screening service that assesses your employee's potential risk to develop cardiovascular disease and diabetes
