Influenza Update

Register Now For An Onsite Flu Shot Clinic

Reasons for a VaxPro clinic:

VaxPro is a preferred provider for many health insurance companies and in most cases can bill 100% of the flu vaccination cost to insurance for covered employees.

Clinic dates and times are scheduled to meet the needs of your company.

Our free online registration system will help organize and increase clinic participation.

Patient records are securely uploaded to the Wisconsin Immunization Registry (WIR).

Stay healthy:

Flu vaccination can help prevent serious illness from influenza. It is especially important for you and your co-workers to have annual flu shots and also to follow CDC guidelines and be regularly boosted for COVID-19 in order to remain healthy.

Flu vaccination is shown to reduce flu-associated hospitalizations and it is an important preventive tool for people with chronic health conditions.

Flu vaccination can be lifesaving in children and helps protect women during and after pregnancy.

Call **VaxPro** headquarters at 262-241-4522 or email info@vaxpro.com to discuss an onsite flu shot clinic for your workforce!

COVID-19 Boosters for the Fall

VaxPro is certified by the Wisconsin Department of Health Services to administer COVID-19 boosters. We can bill the cost for administering COVID-19 booster to many insurances. Getting your COVID-19 booster will further protect for you and your workforce.

Our Mission

VaxPro is a wellness company specializing in annual influenza (flu) shots and COVID-19 vaccinations for businesses, universities, health fairs, school districts, and senior group homes. We provide onsite clinics that are staffed by licensed healthcare professionals.
