Register Now For An Onsite Flu Shot Clinic

Top reasons for a VaxPro clinic
Customized onsite clinics.

No-cost insurance billing options. VaxPro is a preferred provider for many insurances.

Free online registration system to help organize and increase clinic participation.

Rapid post-clinic reporting to your company representative and the Wisconsin Immunization Registry (WIR).

Stay healthy with a combined flu shot and COVID-19 vaccination clinic

VaxPro is offering flu, COVID-19 and combined vaccination clinics this Fall. Take advantage of this opportunity to protect your workforce against both viruses at the same time. The COVID-19 mRNA vaccine will be updated with the newest strain composition to offer the highest level of protection.

VaxPro is able to bill most medical plans for the cost of both flu and COVID-19 vaccinations.

Co-founders Steve Nye and Jay Plavnick are ready-to-go. Enroll your company for a clinic at www.vaxpro.com or contact us via e-mail at info@vaxpro.com.

Clinics start in September!
