Why Choose VaxPro For A Flu Shot Clinic?

- Protocols are in place to ensure safe clinics during the Coronavirus pandemic.
- We are a preferred provider for many health insurance companies and in most cases can bill 100% of the flu vaccination cost to insurance for covered employees.
- Clinic dates and times are scheduled to meet the needs of your company.
- Our free online registration system will help organize and increase clinic participation.
- Nurses are specially trained and follow CDC and OSHA guidelines.
- Flu shot records are uploaded to the Wisconsin Immunization Registry (WIR).
- We offer a High Dose Quadrivalent flu shot for adults age 65+.

Call VaxPro headquarters at 262-241-4522 or email info@vaxpro.com to discuss an onsite flu shot clinic for your workforce!

Everything You Need To Know

What flu strains will the 2020-2021 vaccines protect against? What flu vaccines are recommended this season? Do we need to get a flu vaccine earlier this year? Find out everything you need to know [here!](#)

Flu In The Southern Hemisphere

Information in this report is categorized by influenza transmission zones, which are geographical groups of countries, areas or territories with similar influenza transmission patterns. Find out how the [flu](#) has been doing in 2020 so far.

Is It Safe In Wisconsin?

One-third of coronavirus [cases](#) in Wisconsin this past month have been among people in their 20s. This increase is most likely due to people making outings to parties, bars, and other social events.

Because Wisconsin has a high number of cases, it's been added to the [Chicago Travel Ban](#) list. That means anyone traveling from Wisconsin to Chicago, including Chicago residents returning from travel in Wisconsin, will be asked to self-quarantine for 14 days.

COVID-19: The Statistics In Wisconsin

Daily updates are made on the Department Of Health site for coronavirus cases in Wisconsin and are available by counties, so you can easily follow the spread of the Coronavirus pandemic in your area.

Stay up to date with the [pandemic](#) cases in Wisconsin.

Masks In Wisconsin

Tony Evers has issued a statewide [mandate](#) to wear masks indoors through the end of September. Effective Saturday, face masks will be required for anyone age 5 or older while indoors except at a private residence.

The order also applies to schools for the first few weeks of the school year if students return to classrooms. Violating this order could result in fines of up to \$200.

Are You Up To Date With Your Vaccines?

National Immunization Awareness Month happens every August to raise awareness and encourage people to be up to date on all of their necessary vaccinations for potentially harmful diseases.

Vaccines can prevent you from unseen viruses, so take the necessary precautions by calling your doctor and avoid potential harm while leading a healthy, happy life.

Thank You, Health Centers

National Health Center Week is August 9th-15th. This is an annual celebration to raise awareness about the mission and accomplishments of America's health centers.

This week, let's celebrate the role that Community Health Centers play in our recent moments of loss and triumph.

Our Mission

VaxPro is a wellness company that specializes in annual influenza (flu) shot clinics for businesses, health fairs, school districts, and senior group homes. We provide customized, onsite clinics that are staffed by licensed healthcare professionals. Besides flu shots, VaxPro offers TB testing and a Biometric Screening service (assesses your employee's potential risk to develop cardiovascular disease and diabetes).
