

February 5th, 2019

Your February Newsletter!

VaxPro is a Wisconsin-based wellness company that specializes in annual influenza (flu) shot clinics for businesses, health fairs, school districts and senior group homes. We provide customized, onsite clinics that are staffed by licensed healthcare professionals.

Besides flu shots, VaxPro offers a Biometric Screening service that assesses your employee's potential risk to develop cardiovascular disease and diabetes.

Flu Shot Clinics!

It's that time of year when we reach out to our customers with a reminder to register for their Fall 2019 flu shot clinic! VaxPro's mission is to both vaccinate and educate our community about the importance of getting an annual flu shot and how it can prevent serious illness and possibly death.

Call 262-241-4522 or email jay@vaxpro.com to discuss an onsite flu shot clinic for your employees!

A Wisconsin Winter for the Ages

Frostbite can occur in as little as 5 minutes. Avoid going outside for any

length of time. If you must travel, be aware that blowing and drifting snow has caused snow covered or icy roadways in many locations. Stay safe, stay indoors. Want to know more about our historical windchill last week? Click the link below!

Working in the Cold

Be prepared and aware when working in the cold! If you have to work in the cold, always wear clothing that is appropriate for the weather. Remember prolonged exposures to cold temperatures could cause you to make poor decisions or react more slowly than normal.
