Our Mission

VaxPro is a wellness company that specializes in annual influenza (flu) shot clinics for businesses, health fairs, school districts and senior group homes. We provide customized, onsite clinics that are staffed by licensed healthcare professionals. Besides flu shots, VaxPro offers a Biometric Screening service that assesses your employee's potential risk to develop cardiovascular disease and diabetes.

Schedule Your Flu Clinic

It's time to schedule your flu shot clinic! VaxPro's mission is to both vaccinate and educate our community about the importance of getting an annual flu shot and how it can prevent serious illness and possibly death.

Call 262-241-4522 or email jay@vaxpro.com to discuss an onsite flu shot clinic for your employees!

Shingles Vaccine: Shingrix

Information on the new Shingles vaccine!

Extreme Heat

Be careful this summer when doing activities

The CDC recommends Shingrix for its strong, longer-lasting protection. Shingrix is the first new shingles vaccine in more than a decade and only the second to ever be approved by the Food and Drug Administration. Click the link below to learn more about it!

What Did You Do During National Men's Health Week?

National Men's Health Week is observed each year leading up to Father's Day. We've used this past week to set good examples for men's physical and mental health and knowing the symptoms leading up to a disease or disorder. Read more on National Men's Health Week below!
