

January 2019

Your January Newsletter

VaxPro is a Wisconsin-based wellness company that specializes in annual influenza (flu) shot clinics for businesses, health fairs, school districts and senior group homes. We provide customized, onsite clinics that are staffed by licensed healthcare professionals.

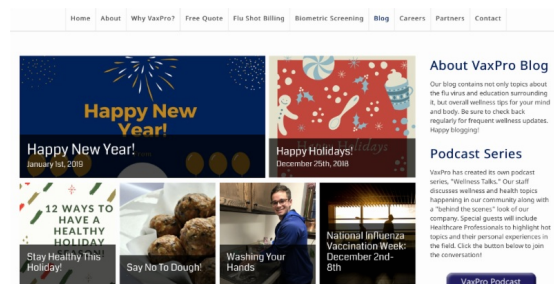

Besides flu shots, VaxPro offers a Biometric Screening service that assesses your employee's potential risk to develop cardiovascular disease and diabetes.

Happy 2019!

VaxPro wishes you a Happy New Year full of success, good health, and new opportunities! Here are some highlights we had: We partnered with BITS, a local IT and website design company, started a podcast series, added an amazing data entry team, and beat our numbers from last season! Thank you 2018 and we look forward to the new year!

Don't Forget To Use Soap!

Washing your hands can be the difference between you and the flu! You can help yourself and others stay healthy by washing your hands often, especially during these key times when you are likely to get and spread germs! Read the CDC's article below to learn more!

Winter Is Here

Stay Safe and Healthy For The Remainder Of Winter

Winter storms and cold temperatures can be dangerous. Stay safe and healthy by planning ahead. Prepare your home and cars. Prepare for power outages and outdoor activity. Check on older adults.
