### Our Mission

VaxPro is a Wisconsin-based wellness company that specializes in annual influenza (flu) shot clinics for businesses, health fairs, school districts and senior group homes.

We provide customized, onsite clinics that are staffed by licensed healthcare professionals. Besides flu shots, VaxPro offers a Biometric Screening service that assesses your employee's potential risk to develop cardiovascular disease and diabetes.

### Call Us Today!

It's that time of year when we reach out to our customers with a reminder to register for their Fall 2019 flu shot clinic! VaxPro's mission is to both vaccinate and educate our community about the importance of getting an annual flu shot and how it can prevent serious illness and possibly death.

Call 262-241-4522 or email [jay@vaxpro.com](mailto:jay@vaxpro.com) to discuss an onsite flu shot clinic for your employees!
