Our Mission

VaxPro is a Wisconsin-based wellness company that specializes in annual influenza (flu) shot clinics for businesses, health fairs, school districts and senior group homes.

We provide customized, onsite clinics that are staffed by licensed healthcare professionals. Besides flu shots, VaxPro offers a Biometric Screening service that assesses your employee's potential risk to develop cardiovascular disease and diabetes.

Call Us Today!

It's time to schedule your flu shot clinic! VaxPro's mission is to both vaccinate and educate our community about the importance of getting an annual flu shot and how it can prevent serious illness and possibly death.

Call 262-241-4522 or email jay@vaxpro.com to discuss an onsite flu shot clinic for your employees!

Reduce The Risk Of Dementia

Chicken and Food Poisoning

Dementia affects around 50 million people globally with nearly 10 million new cases every year.

People can reduce their risk of dementia by:

- Getting regular exercise
- Not smoking
- Avoiding harmful use of alcohol
- Eating a healthy diet
- Maintaining healthy blood pressure, cholesterol and blood sugar levels
