### Does your company need a biometric screening clinic?

VaxPro is a Wisconsin-based wellness company that specializes in annual influenza (flu) shot clinics for businesses, health fairs, school districts and senior group homes. We provide customized, onsite clinics that are staffed by licensed healthcare professionals. Besides flu shots, VaxPro offers a Biometric Screening service that assesses your employee's potential risk to develop cardiovascular disease and diabetes.

### **Pregnant And Need A Flu Shot?**

A recent study by the CDC shows that during the last six influenza seasons, getting a flu shot reduced a pregnant woman's risk of being hospitalized from flu by an average of 40%. Just because you are pregnant doesn't mean you can't get a flu shot. In fact it's recommended!
