Mask Mandate Extended

Governor Tony Evers extended the statewide [mask mandate](#) until November 21st. The mandate requires anyone 5+ to wear a face-

COVID-19: The Statistics In Wisconsin

The percent of positive COVID-19 cases continues to rise in Wisconsin, even though

covering when indoors or in any enclosed space open to the public. Face coverings are also recommended outside when physical distancing is difficult to maintain.

Because of the soaring coronavirus cases, particularly on college campuses, the mask mandate is an essential component to bringing the numbers down. Wisconsin now ranks third in the country for new cases per capita.

fewer tests are being processed. Wisconsin remains at a high activity level for COVID-19 and as we get closer to fall and winter, we need to do our part to eliminate the virus.

We must continue to help slow the spread of COVID-19 for ourselves, our loved ones, and our future. Do your part and wear a mask, stay 6 feet away from others, and wash your hands. Stay up to date with the [pandemic](#) cases in Wisconsin.

Flu Clinics At UW-Madison

Here's what a [VaxPro](#) flu clinic looked like at the Nicholas Recreation Center! Thank you University Health Services at UW-Madison for capturing our space!

Why Choose VaxPro For A Flu Shot Clinic?

- Protocols are in place to ensure safe clinics during the Coronavirus pandemic.
- We are a preferred provider for many health insurance companies and in most cases can bill 100% of the flu vaccination cost to insurance for covered employees.
- Clinic dates and times are scheduled to meet the needs of your company.
- Our free online registration system will help organize and increase clinic participation.
- Nurses are specially trained and follow CDC guidelines.
- Flu shot records are uploaded to the Wisconsin Immunization Registry (WIR).
- We offer a High Dose Quadrivalent flu shot for adults age 65+.

Call VaxPro headquarters at 262-241-4522 or email info@vaxpro.com to discuss an onsite flu shot clinic for your workforce!

We're excited to be celebrating our 15th season at VaxPro, LLC! Our owners, Steve and Jay, have made it their mission to bring customized flu shot vaccination clinics to corporate employees by bringing our nursing and logistics staff to your company. VaxPro has grown this on-site concept over the years, and we now provide wellness clinics to businesses located throughout Wisconsin and parts of Illinois.

This is turning out to be VaxPro's greatest season ever, despite the pandemic, as we have found a way to run safe and efficient clinics at our customer sites.

National Breast Cancer Awareness Month

October is Breast Cancer Awareness Month helps to increase awareness of the disease and to raise funds for research into its cause, prevention, diagnosis, treatment, and cure. Wear pink this month and learn how you can get involved!

Our Mission

VaxPro is a wellness company that specializes in annual influenza (flu) shot clinics for businesses, health fairs, school districts, and senior group homes. We provide customized, onsite clinics that are staffed by licensed healthcare professionals. Besides flu shots, VaxPro offers TB testing, a Biometric Screening service (assesses your employee's potential risk to develop cardiovascular disease and diabetes) and COVID-19 testing.
