Does your company need a flu shot clinic this fall?

VaxPro is a Wisconsin-based wellness company that specializes in annual influenza (flu) shot clinics for businesses, health fairs, schools and senior group homes. We will provide a customized, onsite clinic that is staffed by licensed healthcare professionals. Besides flu shots, VaxPro offers other kinds of vaccinations along with a Biometric Screening service that assesses your employee's potential risk to develop cardiovascular disease and diabetes.

Register Now For A Flu Clinic!

When it comes to the incidence and severity of flu cases, November to February 2017 is being considered one of the worst in U.S. history . It is VaxPro's mission to both vaccinate and educate our community on the importance of getting a flu shot and how it can prevent serious illness and possibly death. Call 262-241-4522 or email jay@vaxpro.com to discuss an onsite flu shot clinic for your employees!
